

You can find EVERYTHING you need for controlling lighting beams by means of Scrims, Flags, Dots & Fingers, from the famous C-Stand to the GRIP HEAD system. The latter is designed with special arms and heads for positioning your scrim or flag exactly where you need it, even in the most difficult circumstances.

Century Stands	146
Grip Heads	150
Scrims & Flags	152

The Avenger Century stand is unlike any other. Fitted with captive handles that do not vibrate free; utilizing a new lightweight steel making them up to 1kg lighter but just as strong; triple chrome plating resistant to corrosion; collar castings that protect fingers; field serviceable parts; all these features make this stand the best on the market.

20", 30", 40" and 60" stands - with loads up to 10kg.

Fold away, spring loaded legs with unique mounts which are easy to replace.

Deep inset plastic feet that do not come off in use.

High quality finish resists all weather conditions.

Detachable base stand - also available as turtle base only.

Captive "T" handles.

Weight: 5,1kg.

The innovative design on the Century stand base allows individual legs to be set at any angle, and can be positioned in locations not possible for classic stands.

Important! Counterweight sandbags must always be used on the legs to ensure safe, stable operation even at fullheight extension.
