

CC-190

Unique Features

BSS Shoulder Strap

“B” shape shoulder strap.

On Board

These bags meet the strict new airline regulations for carry-on luggage size. Due to constantly changing airline regulations, please check with your carrier prior to departure.

Modi-Vers System compatible

This System allows you to create compartments that meet your requirements. The divider can be cut with scissors to any desired size. You can attach the newly cut divider to another divider or the walls of the bag with a special Velcro connector.

TST

Kata's TST (Thermo Shield Technology) provides the perfect level of protection against shock, vibration and impact. It continues in Kata's tradition of light weight and ergonomic shape.
