This compact carrying case offers the best protection for your camera. Designed to hold a camera with battery and lens installed, the **CCC-1** is fully streamlined with no protruding pockets or bulges. The **CCC-1** now has a Modi-Vers divider that can be placed width-wise in the bag for custom fit. It prevents the camera from moving around and creates a compartment for equipment or accessories. Other features include ample internal and external pockets. An aluminum stave reinforces the **CCC's** top flap to protect the viewfinder and on-camera mic.
