

F-417

Unique Features

Insertrolley compatible

Allows you to use the trolley separately or with several cases by sliding the trolley through the sleeve. You can detach the trolley if you want to store it and replace it if damaged. 4 extendable wheels for better stabilization.

Interlocking and Inverted Interlocking Handles

Kata's patented handles have been designed and field-tested for sure grip and optimal comfort. For heavier and wider bags, the left side of the handle locks to the right side of the handle for added security.

BSS Shoulder Strap

"B" shaped shoulder strap.

On Board

These bags meet the strict new airline regulations for carry-on luggage size. Due to constantly changing airline regulations, please check with your carrier prior to departure.

TST

Kata's TST (Thermo Shield Technology) provides the perfect level of protection against shock, vibration and impact. It continues in Kata's tradition of light weight and ergonomic shape.
