

Shell-03

Unique Features

Interlocking and Inverted Interlocking Handles

KATAs patented handles have been designed and field-tested for sure grip and optimal comfort. For heavier and wider bags, the left side of the handle locks to the right side of the handle for added security.

BSS Shoulder Strap

“B” shaped shoulder strap.

On Board

These bags meet the strict new airline regulations for carry-on luggage size. Due to constantly changing airline regulations, please check with your carrier prior to departure.

“Yelloop”

The interiors of Kata’s bags are made of a loop fabric to which you can attach the Modi-Vers dividers. They are a bright yellow, so that the contents can be viewed with ease.

Modi-Vers System compatible

This System allows you to create compartments that meet your requirements. The divider can be cut with scissors to any desired size. You can attach the newly cut divider to another divider or the walls of the bag with a special Velcro connector.
